

I just have one thing to  
say about all these  
new Adrian College  
students ...

The Adrian College class of 2002 is the biggest since 1988, and I'm just sure it's the beginning of a trend. All those enthusiastic new students will tell two friends about Adrian College, and they'll tell two friends, and so on, and so on ...

Of course, more eager minds mean more of everything else, too, from computer accounts to building maintenance. That's why Adrian College needs our Annual Fund gifts now as much as it ever did - maybe more. After all, those discerning young people chose Adrian College for some of the very things the Annual Fund supports: state-of-the-art equipment, a safe, accessible campus and financial aid packages that make Adrian competitive with other quality institutions. By supporting the Annual Fund, we can ensure that they never have a second thought about choosing AC.

Let's keep the students coming! Just return your check in the enclosed envelope, or do what I do and have your gift deducted automatically via electronic funds transfer.

I hope you'll join me ...
